STAT

1. During the period covered by this report, [redacted]  
[redacted] was under my supervision. In view  
of his long service as an intelligence officer, he was assigned  
as a Special Assistant to conduct certain surveys of a highly  
classified nature.

STAT

2. He performed these duties in a generally satisfactory  
manner. However, there was a distinct lack of discretion and  
tact [redacted]. He antagonized a number of  
senior officers with whom he came in contact and by his actions  
lowered the morale of others.
